

Join our Fundraising Committee

- **Would you like to make a real difference and help support a valued local service?**
- **Can you help us find new and innovative way to raise funds?**
- **Do you have any experience in marketing, fundraising, promotions or event management?**

With grants and funding becoming increasingly difficult to secure Bereavement Matters is looking to form a group of volunteers dedicated to helping with our fundraising efforts who can help us find some new and innovative ways for us to grow support and raise much needed money so we can continue our work.

The work will be very varied and could include finding new sponsors, investigating fundraising ideas, planning and organising events, expanding our supporter group membership, increasing awareness of our existing fundraising initiatives, communications and publicity.

This is a great opportunity for a group of like-minded people to come together, make a real difference and have some fun while supporting a valued local service.

Skills & Qualifications

You will be a team player with lots of energy, enthusiasm and ideas. Previous experience in marketing, design, fundraising or event management would be helpful but is not essential.

About Us

Bereavement Matters – the St Albans & District Bereavement Network is an independent local charity providing bereavement support to adults, families and young people living in the St Albans and Harpenden area. Our aim is to
