

Dear Volunteers and Supporters,

How You Can Support Us This Christmas!

Christmas is a particularly difficult time for those who are bereaved and missing a loved one. Your support will enable us to continue helping those who are grieving this Festive Season. While you are preparing for your own celebrations here are some really easy ways you can help us to raise vital funds, some won't even cost you a penny!

Community Matters at Waitrose St Albans

At **Waitrose** supermarket in **St Albans** this December you can support us by putting the token you receive at the end of you shop into the Bereavement Matters good cause box – the more tokens the larger our share of the £1,000 donation.

Give As You Live – Online Shopping

If you are shopping for Christmas gifts online **Give as You Live** brings together thousands of leading stores who have all signed up to donate a percentage of every purchase you make online to the charity of your choice.

Shopping through **Give as You Live** is no different to shopping online normally, it's just as secure and your shopping won't cost you a penny more. In fact, the only difference is the difference it could make to our donations total!

Or for your weekly supermarket shop if you use a **Give As You Live** in-store card you can keep raising free funds - £100 spent each week on your groceries could earn us £100 a year in free donations!

JustGiving Donations & Fundraising

Many people choose to make a charitable donations instead of sending Christmas cards or gifts. If you would like to support us this way it is quick and easy to make a donation through our Just Giving page: www.justgiving.com/sabn.

Or if you aren't ready to give up on Christmas cards this year how about a **JustGiving Give Card**.

You can choose a design, make a donation to Bereavement Matters on **JustGiving** and share the card with your friends and family celebrating the fact you are making a difference by donating to us this Christmas:
